

A-FRAME SHELF

A-FRAME SHELF

A multi-use unit with a countertop, shelving, and hanging rod all in one—custom built for your environment. Use it in a productive space like a studio, office, kitchen, workshop, or store. Crafted of steel and walnut, the A-Frame shelf blends industrial charm with practicality.

CREATIVE USES

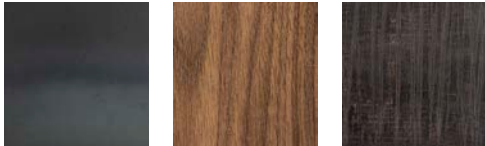

Kitchen Shelving / Art Supplies Storage
Wrapping Station / Gardening Station

ADDITIONAL NOTES

Can be customized, modified to any height. Open shelves at the bottom can be closed cabinetry. Includes 2-hanging rods. Crate & freight quoted separately. The A-Frame ships flat packed for self-assembly or fully assembled. Professional installation is required. 8-10 weeks production time.
